

IV Pole

Disposable Floor/Tabletop Convertible

Our streamlined, Disposable Floor/Tabletop Convertible IV Poles are a sturdy, cost-effective and quality alternative to the traditional method of maintaining an IV pole inventory. The lightweight, efficient folding design and ability to leave the pole with patients eliminates the hassles of tracking, pick-ups, cleaning, tagging, storage and shipping—plus, patients are assured of exclusive use.

- Streamlined, sturdy construction
- Cost-effective, quality alternative to permanent inventory
- Efficient folding design alleviates the hassle and costs of pick-ups, shipping and storage
- Exclusive patient use
- Equipped with three masts (up to 75") for conversion to floor or tabletop
- Made of recyclable materials
